

# CASH HOUSESIE

*Bingo!*

## GAME RULES

---

Cost of tickets – Bk1 \$2.50, Bk2 \$2.50, Jackpot \$3, Mary Macs \$2 sheet of 6. All books are only sold as whole books. Total cost for a set of 6 is \$50.

Prizes are kept consistent as posted, using a prize provision where over time busier nights make up for quieter nights keeping prizes at or just under 75% of sales.

Patrons under 18 are welcome but must remain accompanied, prizes will be paid to the accompanying adult.

All games played are full house games – all 15 numbers on one card. Mary Macs game requires any horizontal line, then continues as a full house game.

If an incorrect number has been made by the caller, the caller will announce 'disregard the last number called, the next number is.'

Winning ticket must have – correct serial number and full house. Last number called not required. If the player overlooks calling out, then they will equally share with the other winner.

If two series are run, only the back of one and the front of the next are used so no two players have the same tickets. Both serial numbers will be announced before each game.

Any disputes concerning prize claims will be dealt with by the promoter or designated person in charge, not the caller.

The rules are in a folder where tickets are sold and available to inspect upon request.

Staff can play as long as they don't participate in the conduct of the rest of the particular session. Immediate family of staff can play anytime which is to be announced.
